The subject is usually on time with her rent, however it is late this month so the rp went to check on the subject. There is no answer inside the residence, and the subjects vehicle is at the house.

Summary: I arrived at the residence and made contact with the park manager at the residence. He stated the resident is late on rent and she is never late. Rp also stated he has not seen the resident for approx. 3 months. The resident did not answer the door and this is unusual behavior for her. The Rp stated the resident is 65 years old and has medical history. I knocked on the door several times and announced my presence with no reply. The front door was open. I opened the front door and announced my presence with no reply. I could see the residence was full of garbage and recyclables, and in some places it was stacked up approx shoulder high. Due to the Rp stating this was unusual behavior, the unknown medical condition and the occupant not answering the door, I decided to enter the residence and check the welfare of the occupant. I located the female in the back bedroom that was full of garbage. I could only see the top of her head and she appeared to be sitting on the ground in the corner of the bedroom. I announced "Sheriffs Office" and asked her if she was ok. The female told me to leave her alone and get out of her house. I tried several times to speak with the female but she kept telling me to get out of her house. I exited the residence and advised the RP that she was inside. I contacted APS and advised them of the situation. APS stated they would be sending somebody to the residence. . Disposition: Log Note.
