Occurred at Cvs Pharmacy on Mono Wy. , Sonora. Rpts theft of his backpack and medications from his unlocked veh. Occurred yesterday afternoon.
Summary: Rp's name is . When I took the report by telephone the rp used his brother's name . wanted to report his backpack including his medication, xanax and amitriptyline, and a text book were stolen from his Jeep between 1000 and 1030 hours on 2/17/16 while it was parked at CVS in the Junction Shopping Center. couldn't remember when he last saw the backpack which contained his medication and text book. He previously claimed he takes it to class every morning and he had class on 2/17/16. said his doctor required a police report before prescribing more medication. I obtained information for a theft report and gave the case number. While talking with on the phone his speech was very lethargic and he seemed to have trouble remembering and processing information. At 2100 hours, I contacted at his residence. revealed to me he gave me his brother's name on the phone because he recently got a DUI and didn't want me to suspect he was misusing his medication. said once he got home, he discovered his brother and sister took his medication from him at their parent's request who were out of town. brother and sister have been administering the medication to him. While talking with in person, he spoke lethargically and seemed to be under the influence. He claimed to be using amitriptyline only. Additionally, I could smell an odor of marijuana coming from the house. The previously issued case has been voided as no theft occurred. . Disposition: Log Note.
