16:16 ASSAULT 1604190100

Occurred on Pulpit Rock Rd, Jamestown. Contact subj at Probation in office advising that a week ago assaulted her. req to make a report.

summary: I could not contact the alleged VIC. The phone number we had listed for her is not her number anymore. I went to the home address that probation had listed for her as well as the address we had listed, but she no longer lives at either location. I learned that she maybe staying in a hotel in Twain Harte with her boyfriend. /// I talked to the RP from probation, and she said VIC had no visible injury. VIC said she had no reason for waiting a week to report the incident, and VIC kept changing the story as to when it happened, and VIC could only tell her that she had been assaulted, but VIC could not say how./// I spoke with the alleged RSP, and he told me he had not seen VIC since approximately 4-9-16. VIC stayed with RSP and his parents for a few hours a day on 4-8 and 4-9. RSP said his father was at the house the entire time, and his mother, sister, and sister's boyfriend were also there most of the time. RSP said he will not be alone with VIC since he was arrested for DV in 2-2014. RSP said a welfare investigator contacted him on 4-18 because VIC was using hotel vouchers for her and the children for the last two months, while RSP had the children with him. Supposedly, the investigator told RSP that VIC and an adult male were the ones staying at the hotel room. RSP did not know the location of the hotel. RSP filed for full custody of his children at approximately 0930 hours on 4-19, and he picked the children up from school around 1230-1300 hours. VIC went to the school to get them around 1500 hours, but the children were already gone. Approximately one hour later, VIC went to probation and said she was assaulted over a week ago.///. .
