As they reached the patrol my K9 was barking at them due to them coming close to the car. I yelled at the two to not torment the K9. They agreed and walked in the casino near the cafe. I watched them walk out a short time later. The two subjects again walked by my car. I told them not to torment my K9. I heard the subject I knew from prior contacts as 17 year old "Hiss again at the K9" I again told them to not do that. He began to Hiss again. I walked to the subject and detained him with an arm bar. He began to attempt to pull away from me and told me you cant touch me I'm only 17. I told him numerous times to stop resisting me. I was able to get him to calm down. I had him stand near the back of my vehicle. A short time later his aunt walked out of the Casino. I spoke with her and explained to her what he had done.
