RP said he is on vacation and can not get his property until after the 26th. RP then admitted he has not paid his rent and then admitted he has told the landlord he is moving out. RP was told numerous times to speak to a lawyer as it is a civil issue and he kept telling me he had and the lawyer told him to contact LE. I told him to speak to a different lawyer as it is illegal for LE to give legal advice. I also suggested either paying his rent or just getting his property out if he is worried about it. RP said he "is 9 hours away", (southern ca.) and can't get it until after the 6th. I advised him again to contact a lawyer. nfa. . Disposition: Civil Problem.
