- 18:55 HEALTH AND SAFTY/DRUG ACTIVITY 1606140078**
Occurred on Phoenix Lake Rd, Sonora. Rpts found poss H&S in his tenants bathroom.
summary: Multiple house guests allegedly searched the house and found methamphetamine and prescription pills in the community bathroom. The property was assumed to belong to RSP. The property was put in her room and the door was locked while she was away. I spoke with the female house guest who first said she found the items but then changed to saying she did not and someone else found it. She said RSP did not have a prescription but later said RSP claimed she did. I went to the residence after speaking with them on the phone, but the house guests were gone. RSP claimed she did not know what was found in the bathroom because she was gone, and the items were placed in her room and the door was locked. I explained to RP that he could not deny her access to the room where she has established residency. RSP denied me consent to enter her room. I was shown the bathroom drawer where the suspect drugs were allegedly "found." In the drawer, I saw two small granule of something, but it was not a testable or usable amount. I explained the entire issue is civil and needs to handled in civil court. . Disposition: Civil Problem.
