**10:57 MISC INFORMATION****1607150055**

Occurred on Via Este, Sonora. Rp in the lobby to report a 415 the occurred yesterday around 1300hrs. RP wanted to report his wife, who is the HOA president, was in an argument with a neighbor, "Frank". Frank was angry about the height of a fence. RP said he did not appreciate the way Frank spoke to his wife; RP and other family members were present during the argument. I explained it was not a crime to argue as they have "freedom of speech". RP understood no crime occurred and didn't want it to escalate but wanted a Deputy to speak to "Frank" about his behavior. We discussed possible scenarios including speaking to Frank or ignoring it and letting everyone "cool down". RP said he was worried "Frank" might do something even though no threats were made. RP then complained about another neighbor that has multiple trucks parked on their own lawn. I explained LE can not enforce HOA rules and directed him to go through the civil process. I then offered to have a Deputy speak to "Frank" if he insisted and he chose not to. His wife asked him not to report it. . Disposition: Advised.

RP believed it was TCSO. It was not our jurisdiction where the purchase was made, where the possible match investigation occurred and we have no jurisdiction over the DOJ. I advised calling them again and again. RP does not have their number and I gave suggestions on how to find it. nfa. . Disposition: Log Note.
