Occurred on Expedition Dr, Sonora. RP thinks the water lines have been 594, but they were served an R/O yesterday from neighbor, that prevents them to look at the water lines.

RP was served with a no contact restraining order by neighbors yesterday. Neighbors repaired the water line late last night. RP has had several problems with neighbors in the past and did not want to be in violation of the RO by contacting them about the problem. RP will call TUD to try and have the problem resolved. RP also wanted information regarding possible civil litigation and restraining orders. I referred the RP to the clerk's office for more information beyond what I could give. .
