RP reported her neighbors juvenile sons, approx 8 and 12, continuously call the RP and her guests names while they are on her deck. The mother finally answered and told RP she didn't want to deal with it and told her to call the Sheriff's. RP said she doesn't want anyone to get into trouble but felt it is getting out of hand and wanted it documented. We discussed options and the RP requested I call the mother . I called and no one answered. I left a message requesting a call back. I had also advised the RP to call us back if the call caused the neighbors actions to get worse. Closed pending contact. Neighbor called back and accepted full responsibility. She apologized for the SO having to get involved and stated her children will be apologizing to the RP.
