Summary: RP's residence has been vacant for approx 1 year due to mold. The RP took his mailbox down in case any personal mail was to be delivered and they were not home to pick it up. 2 weeks ago, the RP put the mailbox back up on the prop. The mailman said there has been lots of mail to be delivered there, but it was sent back to be stored at the post office because there was no mailbox. RP retrieved the mail which was all from Wells Fargo to . The RP was concerned was using the RP's residence as a mailing address. Earlier today, RP received an email from att.com and opened it on his smart phone. The RP's phone was acting bizzare after opening the email so he turned it off. RP contacted ATT who said the correct address is att.net, and the email was fraudulent and possibly contained a virus. RP reported all the activity to Wells Fargo and ATT. In order to prevent any future ID theft, RP will contact the 3 credit monitoring services and place a fraud alert. RP will call the SO if any fraudulent accounts are opened in his name in the future. . Disposition: Log Note.
