rp rpts her roommate is refusing to turn down his music and would like advice on what she can do.

Summary: RP had questions about what to do when her roommate's behavior made her feel unsafe. I advised the RP to take steps to ensure her safety if her roommate was being confrontational such as going to her room and locking the door. I told the RP to contact the Sheriff's Office if she felt like her safety was compromised. The RP has already begun the eviction process to get her roommate removed from the residence. -1665. .
