Posting of Notice by March 5, 2017: Emailed agenda to the following: Calaveras Enterprise, Union Democrat, The Pine Tree, Calaveras Chronicle and to staff and various other community members. Posted at: District Office and VUSD website – vallecito-ca.schoolloop.com

Protocol	Public Comment
Rationale	<ul style="list-style-type: none"> In order to secure broad agreement and compliance with board decisions, all viewpoints should be fairly heard and considered. However, the board also requires an orderly process for its deliberations.
Protocol Agreement	<ul style="list-style-type: none"> The board invites public comment at designated points on the published agenda. All persons wishing to make statements to the board must first be recognized by the President. All public comments must be delivered from the podium. “Impromptu public statements or questions are not allowed.” Board meetings are held in public, not with the public. Debate should only occur between board members. The Board will not respond to questions or statements made by members of the audience. Only the chair will respond to public comment during the meeting and only if warranted. The President may read the following statement prior to community input: “<i>The Board values constructive community comments and suggestions and welcomes your participation in the democratic process. Board action may not legally be taken on any item not specifically listed on our agenda. Testimony with regard to complaints against staff is not protected from damage claims for libel. Public charges or allegations may result in legal action being brought by those individuals.</i>” The president may call a short recess at any time to calm a potentially contentious issue during a board meeting. Additionally, any board member may offer a recess motion.

Request to be heard card (sample)

Having "Request to be Heard" cards available on the entrance table and asking those who wish to speak to fill one out is a very helpful way to manage meetings. People can fill out a card when they arrive or at any time during the meeting, then turn it in to the superintendent's assistant to pass to the board president. The person speaking would be expected to do so during the times allotted for public input (e.g., at the beginning of the meeting, at the beginning of most agenda items, and, in some districts, at the end of the meeting).

The president will recognize those who desire to speak either during the "Public Comment" section or before the particular agenda item.</i> <i>Each speaker should move quickly to the microphone. Meetings are taped for later transcription.</i> <i>Each speaker is allocated a maximum of 3 minutes. The president may choose to limit each side to 10, or no more than 15 minutes if substantial numbers of people wish to address the board.</i> <i>Testimony should be brief and to the point; speaker should not repeat testimony already presented.</i> <i>Board action may not legally be taken on any item not specifically listed on the agenda. The board may ask that such items be placed on the next agenda for consideration.</i> <i>The board values constructive community comments and suggestions. It welcomes your participation in the democratic process.</i>

**Vallecito Union School District
FY 2016-17 Second Interim Report
Actuals through January 31, 2017**

The purpose of this report is for the District Board of Education to certify its ability to meet the financial obligations of the District for the remainder of the fiscal year and the subsequent two fiscal years. Vallecito Union School District will be able to meet its financial obligations for the remainder of this fiscal year and in the coming two years, and therefore a positive certification is being recommended to the Board. To follow is the status of the current year budget and an outline of the major assumptions on which the projections for the subsequent two fiscal years were made.

Budget Revisions 2016-17

There have been no revisions to the Budget since First Interim.

Projections for FY17-18 & 18-19

In revenues, property taxes have been projected to decrease by 1% per year in both years as per discussion with the County Assessor. Federal revenues are projected at the same level as current year. The Local Control Funding Formula calculation yields no additional funding for the Vallecito Union School District as property tax revenues already exceed the target in both years. State revenue is projected to remain flat and continue to be held harmless at the current level of \$610,268 with the ongoing Fair Share Reduction of \$367,322.

Non-salary expenses have been held flat in both years. In salaries, step and column are accounted for, and although a savings in salaries is assumed due to attrition, employee benefits will continue to increase due to the STRS and PERS employer obligation. The projection shows a reduction of 3 certificated FTE and 2.15 classified FTE. There is no cost of living adjustments budgeted for either year. Enrollment projections show that VUSD will continue at around 600 students district wide. Planned deficit spending continues in both out years reducing our fund balance to 20.93%. The projection over the following two years shows the District meeting its financial obligations.

In Conclusion:

The District has experienced huge gains and equal losses in property taxes over the past several years. It is reasonable to assume that we will see property tax values decrease due to tree mortality. As we continue to plan for the impact of varying enrollments per school site, fluctuations in class sizes, and volatile property tax revenues, we remain focused on providing the most comprehensive high quality educational programs for our students. As the future of the District will change as a result of our state, federal and local economy, we will continue to educate our stakeholders and make decisions that will allow VUSD to provide the programs and priorities as defined in the LCAP, as well support services to develop comprehensive plans to meet student needs. We will continue to budget revenues and expenditures conservatively and will strive to maintain fiscally solvent reserve levels to ensure that we are postured for fluctuations in the economy.

NOTICE OF CRITERIA AND STANDARDS REVIEW. This interim report was based upon and reviewed using the state-adopted Criteria and Standards. (Pursuant to Education Code (EC) sections 33129 and 42130)

If salary and benefit negotiations are not finalized, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards and may provide written comments to the president of the district governing board and superintendent.

S9. Status of Other Funds

Analyze the status of other funds that may have negative fund balances at the end of the current fiscal year. If any other fund has a projected negative fund balance, prepare an interim report and multiyear projection for that fund. Explain plans for how and when the negative fund balance will be addressed.

S9A. Identification of Other Funds with Negative Ending Fund Balances

DATA ENTRY: Click the appropriate button in Item 1. If Yes, enter data in Item 2 and provide the reports referenced in Item 1.

1. Are any funds other than the general fund projected to have a negative fund balance at the end of the current fiscal year?

If Yes, prepare and submit to the reviewing agency a report of revenues, expenditures, and changes in fund balance (e.g., an interim fund report) and a multiyear projection report for each fund.

2. If Yes, identify each fund, by name and number, that is projected to have a negative ending fund balance for the current fiscal year. Provide reasons for the negative balance(s) and explain the plan for how and when the problem(s) will be corrected.

ADDITIONAL FISCAL INDICATORS

The following fiscal indicators are designed to provide additional data for reviewing agencies. A "Yes" answer to any single indicator does not necessarily suggest a cause for concern, but may alert the reviewing agency to the need for additional review.

DATA ENTRY: Click the appropriate Yes or No button for items A2 through A9; Item A1 is automatically completed based on data from Criterion 9.

A1. Do cash flow projections show that the district will end the current fiscal year with a negative cash balance in the general fund? (Data from Criterion 9B-1, Cash Balance, are used to determine Yes or No)

A2. Is the system of personnel position control independent from the payroll system?

A3. Is enrollment decreasing in both the prior and current fiscal years?

A4. Are new charter schools operating in district boundaries that impact the district's enrollment, either in the prior or current fiscal year?

A5. Has the district entered into a bargaining agreement where any of the current or subsequent fiscal years of the agreement would result in salary increases that are expected to exceed the projected state funded cost-of-living adjustment?

A6. Does the district provide uncapped (100% employer paid) health benefits for current or retired employees?

A7. Is the district's financial system independent of the county office system?

A8. Does the district have any reports that indicate fiscal distress pursuant to Education Code Section 42127.6(a)? (If Yes, provide copies to the county office of education.)

A9. Have there been personnel changes in the superintendent or chief business official positions within the last 12 months?

When providing comments for additional fiscal indicators, please include the item number applicable to each comment.
