## CURRENT SITUATION

<b>Situation Summary:</b>	Extreme fire conditions continue to challenge firefighters last night. Erratic winds and hot dry conditions resulted in greater growth and increased fire behavior during night operations. Red Flag Warning and heat advisory are in effect for the area through Monday 8AM. Winds, high temperatures, & dry vegetation still have the potential to fuel fire growth. Crews will continue to assess the number of damaged structures as conditions allow. As more damaged structures are located the numbers will adjust accordingly.
